RS05 CAS

The Cleanfix RS05 CAS is a powerful backpack vacuum cleaner that ensures maximum comfort with its ergonomic carrying system. Thanks to the innovative CAS rechargeable battery technology, it enables unrestricted and safe working without a cable – ideal for demanding cleaning tasks in confined or heavily frequented areas. Its lightweight, perfectly balanced design reduces physical strain and enables fatigue-free working.

Clean. Cleaner. Cleanfix.

Battery holder on the side of the cleaner

Control unit on the carrying strap

Ergonomic back frame

Filter HEPA H13 with seal (optional)
